PRESS RELEASE

e-VERIFILE.COM™ Goes Global

FOR IMMEDIATE RELEASE:

ATLANTA- 04-30-08- e-VERIFILE.COM Inc. (EVI), a leading provider of Human Capital Management solutions, announced today that it is expanding its line of web-based solutions for the global marketplace and has launched www.evi-world.com to promote the new service.

The focus of the new services centers on **investigative background verifications**. Designed to meet the growing demand for international risk assessment, the new services will help domestic and foreign-based organizations to easily identify and implement solutions for day-to-day **pre and post employment screening**.

Led by Sri-Lankan-American entrepreneur, Ravi Wijesinghe, e-VERIFILE.COM Inc has extensive experience in providing international risk data solutions. The company's services have already been used in a number of international markets including the United States, Canada, and Mexico, as well as Spain and other European countries.

“Conducting routine administrative tasks internationally can prove to be a complicated process, especially considering that each country has its own regulations, procedures and customs,” says company spokesman, Tony Cooper. “e-VERIFILE will work to identify the solutions that its clients need to overcome these global challenges” Cooper concluded.

In addition to its International Background Verifications, e-VERIFILE will also offer its line of custom support solutions that will enable international clients to streamline their routine administrative tasks such as talent management, information tracking, security credentialing and more.
