e-VERIFILE.COM™ Launches Talent Management Microsite

FOR IMMEDIATE RELEASE:

ATLANTA-April 02, 2008- e-VERIFILE.COM Inc. (EVI), a leading provider of web-based risk data and administrative support, announced that it has launched www.talentrite.com, a microsite featuring its newest administrative support solution, **TalentRITESM**.

TalentRITE streamlines routine tasks associated with talent acquisitions and processing. Visitors to the microsite will learn about the solution as well as learn how it can be easily augmented with **EVI's On Demand Background Checks** and automated features such as applicant scoring, management of any adverse action notifications and more.

The easy-to-use online solution requires no additional equipment or software and can be accessed securely from any PC at anytime. Busy administrators use **TalentRITE** to simplify the process of creating, posting, collecting and pre-screening electronic applications and registration forms.

"e-VERIFILE.COM has come up with one of the easiest application creation tools on the market," says company spokesman, Tony Cooper. "It's simple to use and offers a complete end-to-end Talent Management solution for a variety of organizations," Cooper stated.

For more on **TalentRITE** please visit the microsite or contact an e-VERIFILE.COM representative at 770-859-9899
