Online ID Badge Service Re-Branded as BadgeRITE

FOR IMMEDIATE RELEASE:

ATLANTA- June 15, 2008 –Atlanta-based **e-VERIFILE.COM Inc**, today announced that its online ID Badge service has been renamed **BadgeRITE**. The service is a convenient web-based solution that enables administrators to easily create customized badges for both personnel identification and facility access.

BadgeRITE, streamlines the credentialing process via standardized badge templates that Administrators can easily customize online to meet their specific needs. Template Layouts can include corporate logo, company name, individual photos, address, and more. The service is easy-to use and can help create ID badges fast. Once the template has been created, the badges can be individualized by entering personnel data and photos into the **BadgeRITE** system.

Accessories such as badge enclosures, clips or armbands can also be ordered via the **BadgeRITE** system. e-VERIFILE.COM manages the delivery of the badges and accessories via postal and/or overnight mail. Issuance of badges is electronically documented and available for review online. **BadgeRITE** can be further augmented by linking issuance of badges to comprehensive background checks which can also be conducted online via e-VERIFILE.COM.

Use of **BadgeRITE** requires a subscription to an e-VERIFILE powered website. Subscription is easy, and it's **FREE**. As a subscriber, an organization can log-in to e-VERIFILE.COM at anytime from any PC. For more on BadgeRITE please visit www.badgerite.com or contact an e-VERIFILE.COM representative at 770-859-9899.
