The Nationwide Criminal Database Check (NCDC) Search Service Agreement Addendum

Subscriber Agrees:

Searches utilizing a national criminal file are of a limited scope and do not represent a comprehensive criminal history of the subject. This service is comprised of data from the following sources:

Jurisdictions Checked: see [NCDC Information Available By Jurisdiction](#)

e-VERIFY.COM, Inc. recommends that this search serve as an adjunct to county criminal record searches. The information included in the subject reports is amassed from database sources which may not contain all current information pertaining to individuals and events. Information contained should not be the sole determining factor in the evaluation of an individual. Any information contained should be verified to establish the identity of the individual prior to any decision making process. No warranty as to the accuracy of the information from the above sources is stated or implied.

The conditions for use of this information are inclusive of all terms and conditions as stated in this "addendum" as well as the [e-VERIFY.COM Subscriber Agreement](#).
